Excavator to be Delivered on Wednesday

NYM's demolition contractor is scheduled to deliver an excavator to the job-site on Wednesday, January 20, 2016 between 6:00 a.m. and 6:30 a.m. The operation will consist of turning onto Sixth Street from Eighth Avenue, where the truck/trailer will stop in front of the sliding gate. Sixth Street will be closed for approximately 15 minutes. Flag men will direct traffic down Eighth Avenue during this time period. No special permits are required for this delivery.
