

Abatement Work Continues on Fifth and Sixth Streets

During the next month, we will continue to focus on abatement work on Sixth Street and, to a lesser extent on the Fifth Street. The hours of work continue to be 7:00 a.m. to 3:30 p.m., Monday through Friday. No extended or weekend hours are anticipated during this period.

A majority of the owners of buildings within the required monitoring area of the

new construction have now signed access

agreements and interior and exterior surveying has begun on these properties. Crack gauges have been placed and vibration monitoring will be put into place one to two weeks prior to the start of demolition.

The anticipated schedule for the next month follows:

November 16th-November 20th

- Continue exterior abatement on Sixth Street.
- Complete fence installation on Fifth Street.

November 23rd-November 27th

- Continue exterior abatement on Sixth Street
- ConEd disconnections on Sixth Street. (November 25)

November 30th-December 4th

- National Grid disconnections on Sixth Street (pending)
- Continue exterior abatement on Sixth Street.

December 7th-December 11th

- Continue exterior abatement on Sixth Street.
- Continue ConEd disconnections on Sixth Street (December 7)
- Continue National Grid disconnections on Sixth Street (pending)

December 14th-December 18th

- Continue exterior abatement on Sixth Street.
- Complete National Grid disconnections on Sixth Street (pending)
- Begin sidewalk bridge on Sixth Street.
