The Corporate Care System<sup>SM</sup>  
of Columbia Weill Cornell

 **NewYork-Presbyterian**  
The University Hospitals of Columbia and Cornell

# 7 Essential Corporate Member Services

## Give them access to world class care.

When New York Weill Cornell Medical Center and Columbia Presbyterian Medical Center merged in 1998, an unprecedented medical powerhouse was born. The resulting alliance, known as NewYork-Presbyterian, is one of the largest health care systems in the nation. It offers the combined medical talents of two of the most renowned medical schools, and over 5,000 physicians who are deeply committed to patient care.

## Give them a link to the physicians of Columbia Weill Cornell.

The Corporate Care System<sup>SM</sup> is your company's link to the vast resources of NewYork-Presbyterian. As a corporate care subscriber, your employees will have access to the best physicians in the Tri-State

area. With just a phone call they can request appointments, seek second opinions, and obtain personalized referrals that can open up new avenues of treatment and care.

**NewYork-Presbyterian Hospital is ranked higher in more specialties than any other hospital in the New York area by U.S. News & World Report.**

## 1 Physician Referral Service

**Personalized healthcare when you need it most.**

- Access to world-class physicians in virtually every medical speciality with NewYork-Presbyterian Healthcare System.
- Attentive, personalized support from your own physician referral liaison.

## 2 Second Opinions

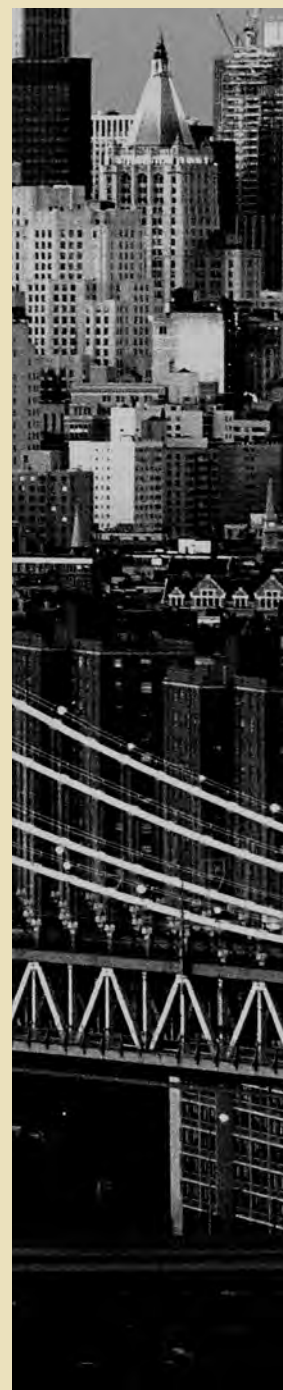

**Open up new avenues of treatment and care.**

- Personalized referrals for second opinions.
- Additional assessments for surgical procedures, medical treatments, or longterm disability determinations.

## 3 MWorkplace Wellness Programs

**Increase productivity by keeping your employees healthy.**

- Among the customized wellness/prevention programs conducted at the workplace are: Training in CPR-First Aid and External Defibrillation, Stress Reduction, Nutrition, Weight Reduction, Ergonomics, Smoking Cessation, Sports Injuries and a Lunchtime Lecture Series on current wellness topics.
- Preventive health screenings for: blood pressure, glaucoma, TB, audiology and other health problems.
- A comprehensive flu vaccination program and recommendations to prepare for flu season.

## 4

### Emergency Response Planning

**Is your company's emergency response plan up-to-date?**

- Specially trained representatives will create a customized OSHA emergency response plan tailored to your worksite, employee population and resources.
- An OSHA safety audit can be conducted by our representatives right at the workplace.

## 5

### Medical Transportation

**A dedicated telephone number for ambulance service.**

- The ambulance dispatch services at NewYork-Presbyterian will triage your call to provide efficient emergency service response within Manhattan.
- A complete range of emergency and non-emergency medical transportation.

## 6

### Comprehensive Health Exams

**From initial appointments to follow-up care.**

- Health evaluations specially designed to meet the needs of your leading executives and their families.
- Centrally coordinated pre-employment and basic annual employee physicals.
- Preventive medicine for women and men in high risk groups: bone density scans, mammograms, hormone replacement assessments, and prostate and colon screenings.

## 7

### Workers' Compensation Assessments

**Outsource one of the most complex and time-consuming HR functions.**

- Evaluation and treatment of work-related illness and injury with Columbia Weill Cornell physicians accepting this insurance.

## Give them benefits that show how much you care.

Benefits that communicate your company's extra level of care and commitment are key to employee retention and satisfaction. As a Corporate Care member you'll find that our services cost less

than what you'd expect from such a comprehensive program. Whether it's ambulance coverage in Manhattan, a physician referral for a family member, or wellness programs delivered at the workplace, employees truly value the extra security this program provides.

Rely on us. The Corporate Care System<sup>SM</sup> is staffed by caring, dedicated professionals who welcome the opportunity to assist you and your employees. When you're too busy to think about flu shots, we'll set up a complete program for you, bring in the doctors and schedule the appointments. If your employees are eager for a weight reduction program, just let us know and we'll bring the professionals to your workplace. Should a health crisis arise at work, we can respond immediately with infectious disease specialists who will assess, treat, and contain the situation.

We think you'll find that Corporate Care membership is money well spent.

**When you make prevention and wellness a workplace priority, productivity and satisfaction soar!**
