

Money in Motion[®]

Personal Finance Program

The *Money in Motion*[®] Personal Finance Program provides you with toll-free access to a professional financial counselor via the *Ayco AnswerLine*[®] service, as well as the interactive power of *Aycofn*[®] – the Ayco Financial Network – at Aycofn.com. Our counselors not only understand your benefit plans, they can also provide perspectives on the financial issues you face at every major juncture of life: setting up a household budget, getting married, having children, planning for your child's education, setting up income sources for retirement and more.

Take charge of your financial future today!
Enroll in Ayco's *Money in Motion*[®] Personal Finance Program.
