NEWYORK-PRESBYTERIAN/QUEENS PPS

Education in Palliative & End-of-Life Care (EPEC) Training

As part of the New York State Delivery System Incentive Payment (DSRIP) Program, the PPS is engaging in a project to enhance palliative care services in participating skilled nursing facilities (SNFs). The PPS is excited to offer a bi-monthly EPEC training session with Cynthia Pan, MD, FACP, AGSF for provide basic education on Palliative and End of life Care to the Medical Doctor and a member of the healthcare team. Our commitment is to provide all 16 EPEC modules in order to certify at least one Practitioner at each facility. Each of the modules is clinically driven and completion of all 16 modules will result in EPEC certification. Additionally, CME credits will be provided for each class. Space will be limited but we will make every effort to accommodate interested Healthcare providers.

The next training session will be held:
